

# Moses as a Baby

## Take-Home Sheet for Parents

### What Your Child Learned this Week:

At the time that Moses was born in Egypt, the Pharaoh decreed that all male Hebrew babies should be killed. Moses' mother hid him in a basket and floated it in the Nile River. The Pharaoh's daughter found him, and took him to the palace to raise him as her son.

### What I Can Do at Home With my Child:

Practice this memory verse with your child:

**“By faith, Moses’ parents hid him from the Egyptians.”~  
Hebrews 11: 23**

Discuss these ideas with your child:

Why did Moses' mother have to hide him in a basket?

Who hid in the bushes to watch and see what would happen to the baby?

Do you know what job God planned for Moses to do after he grew up?

### Family Fun:

Visit a new baby from your church, family, or at the local hospital. Take the baby and his/her family a card or message of welcome. Pray for the baby and talk about the wonderful plan that God has for the new life.
