

The Days of Creation

1st day: God creates light
2nd day: God creates a firmament
3rd day: God commands the waters below to be gathered together in one place, and dry land to appear
4th day: God creates lights in the firmament
5th day: God commands the sea to "teem with living creatures", and birds to fly across the heavens
6th day: God commands the land to bring forth living creatures
7th day: God, having completed the heavens and the earth, rests from His work, and blesses and sanctifies the seventh day.
