

## SHOW RESPECT TO EVERYONE

**Read:** James 2:1-9

**Do you know what it means to respect someone? It means that you treat that person just the way you would like to be treated. When you visit someone else, do you like it when they share their toys with you? Then you should share your toys with other children, because that is what you like.**

**James wrote the Bible verses we read today, and he wanted to remind us that we should respect everyone. He said it doesn't matter if a person wears fancy clothes or shiny jewelry. It doesn't matter if he has a lot of money or a little. God loves all people whether they are rich or poor and he wants us to love and respect everyone, too.**

**Life Application:** Jesus showed respect to everyone He met when He was living here on Earth. He wants us to do the same thing by loving others just as much as we love ourselves. When we respect people we are becoming more like Jesus.

**Prayer:** Dear Heavenly Father, Thank you for respecting me and please help me to remember that I should respect everyone else. I want to treat others the way I like to be treated. Thank you for helping me to do it. Amen.

**Memory Verse:** Love your neighbor as yourself.
